		Thickness	Width	Length
	mm	4.76 - 101.6	1219 - 3048	1219 - 3048
	inches	.1875 - 6	48 - 120	96 to 528

SMA products are packed and labeled according to regulations and customer request. Great care is taken to avoid any damage which might otherwise be caused during storage or transportation. In addition, clear labels are tagged on the outside of the packages for easy identification of the product and quality information. All material is supplied with mill test reports showing chemistry and mechanical properties.

*Call or email us today and let us show you The Superior Way!*
